

# New School Sweatshirt Never Offered Before!

**A reversible hooded sweatshirt with up to 3 custom embroidered or silk screened logos (if desired) on multiple sides.**

JustBeyond.net has created this unique and versatile sweatshirt specifically for schools and now we have the opportunity to purchase this thicker and warmer sweatshirt at 1/2 price. This makes a ton of sense for schools on a budget. Why purchase two sweatshirts when you can purchase one for all your club and sports team needs? We are purchasing soon and are conducting a survey to see how many other clubs or sports teams would be interested in buying to get a volume wholesale discount for all.
